Concrete Jungle Lyrics

No sun will shine in my day today; (no sun will shine)
The high yellow moon won't come out to play:
(that high yellow moon won't come out to play)
I said (darkness) darkness has covered my light,
(and the stage) And has changed my day into night,
yeah.

Where is the love to be found? (oo-oooh-oooh)

Won't someone tell me?

'Cause my (sweet life) life must be somewhere to be
found -

(must be somewhere for me)

Instead of concrete jungle (jungle!)

Where the living is harder (concrete, jungle!).

Concrete jungle (jungle!):

Man you got to do your (concrete, jungle!) best. Wo-
ooh, yeah.

No chains around my feet,

But I'm not free, oh-oooh!

I know I am bound here in captivity;

G'yeah, now - (never, know) I've never known
happiness;

(never, know) I've never known what sweet caress is -

Still, I'll be always laughing like a clown;

Won't someone help me? 'Cause I (sweet life) -

I've got to pick myself from off the ground

(must be somewhere for me), he-yeah! -

In this a concrete jungle (jungle!):

I said, what do you got for me (concrete, jungle!) now,
o-oh!

Concrete jungle (la la-la!), ah, won't you let me be
(concrete, jungle!), now.

Hey! Oh, now!

/Guitar solo/

I said that life (sweet life) - it must be somewhere to be
found
(must be somewhere for me)
Oh, instead of concrete jungle (jungle!) - illusion
(concrete, jungle!) -
Confusion (confusion). (concrete, jungle!) Eh!

Concrete jungle (jungle!): baby, you've got it in.
Concrete jungle (concrete,jungle!), now. Eh!
Concrete jungle (jungle!).

What do you got for me (concrete,jungle!), now?
/fadeout/
