Haven't you heard about the guy known as The Cheater  
He'll take your girl and then he'll lie and he'll mistreat  
her

It seems every day now  
You hear people say now

Look out for The Cheater  
Make way for the fool-hearted clown  
Look out for The Cheater  
He's gonna build you up just to let you down

All of you girls had better stay inside your door now  
He'll hurt you once, then turn around and hurt you  
some more now

While he's out betrayin'  
You'll hear people sayin'

[repeat chorus]

That cheater took my baby  
Away from me  
Yes, and now, I don't mean maybe  
I'll get her back, just wait and see  
Wait and see

One of these days he'll find a girl who knows all about  
him  
She's gonna break his carefree heart and go on without  
him  
And you'll hear thereafter  
Above all the laughter

Tough luck for The Cheater  
Too bad for the fool-hearted clown  
Tough break for The Cheater  
Who used to build you up just to let you down

Tough luck for The Cheater  
Too bad for the fool-hearted clown  
Tough break for The Cheater  
Who used to build you up just to let you down
