(Ooh-ooh, hoo-hoo-hoo! Ooh-ooh hoo-hoo!)  
Cry to me, now;  
You gonna cry to me, yeah!  
You're gonna walk back through the heartaches;  
You're gonna walk back through the pain;  
(Shed those) she'd those lonely teardrops:  
The reaction of your cheating game.

You got to cry to me, now!  
You're gonna cry - cry - cry to me, yeah! Yeah!  
Lord knows how I get from the heartaches;  
Lord that leadeth me, yeah!  
And now I'm by the still water.  
You've got to cry to me, yea-ea-eah!  
You gonna cry to me now;  
You've got to cry - cry - cry to me, yeah!  
You're gonna spend those lonely hours.  
You're gonna she'd those lonely tears;  
(Walk back) Walk back through the heartaches;  
(Walk back) Walk back through the pain;  
(Shed those) she'd those lonely teardrops:  
The reaction of your cheating game.

You're gonna to cry to me, now!  
You got to cry - cry - cry to me, yeah!  
Saying, (don't know) don't know - know how I get from  
the heartaches;  
(Lord that) Lord that leadeth me, yeah-eah-eah!  
(Shed those lonely teardrops) Now I'm by the still  
water;  
(The reaction of your cheating game) Gonna cry to me  
now, hey!  
(Cry) Cry  
(Cry) Cry
