(whistling)

Here's a little song i wrote,
you might want to sing it note for note,
don't worry, be happy

in every life we have some trouble,
when you worry you make it double
don't worry, be happy

dont worry be happy now
dont worry be happy
dont worry be happy
dont worry be happy
dont worry be happy
aint got no place to lay your head,
somebody came and took your bed,
don't worry, be happy

the landlord say your rent is late,
he may have to litagate,
dont worry (small laugh) be happy,

look at me im happy,
don't worry, be happy

i give you my phone number,
when your worried, call me,
i make you happy

don't worry, be happy

aint got no cash, aint got no style,
aint got no gal to make you smile
but don't worry, be happy

cos when you worry, your face will frown,
and that will bring everybody down,
so don't worry, be happy

don't worry, be happy now...

don't worry, be happy
don't worry, be happy
don't worry, be happy
don't worry, be happy

now there this song i wrote
i hope you you learned it note for note
like good little children

dont worry be happy

listen to what i say
in your life expect some trouble
when you worry you make it double
dont worry be happy
be happy now

dont worry, be happy
dont worry, be happy
dont worry, be happy
dont worry, be happy
dont worry
dont worry be happy
don't worry, don't worry, don't do it,
be happy, put a smile on your face,
don't bring everybody down like this

don't worry, it will soon pass whatever it is,
don't worry, be happy,
i'm not worried
