### "Real Situation"

Check out the real situation:  
Nation war against nation.  
Where did it all begin?  
When will it end?  
Well, it seems like: total destruction the only solution,  
And there ain't no use: no one can stop them now.  
Ain't no use: nobody can stop them now.

Give them an inch, they take a yard;  
Give them a yard, they take a mile (ooh);  
Once a man and twice a child  
And everything is just for a while.  
It seems like: total destruction the only solution,  
And there ain't no use: no one can stop them now.  
There ain't no use: no one can stop them now;  
Ain't no use: no one can stop them now;  
There ain't no use: no one can stop them now.

Check in the real situation (check it out, check it out):  
Nation fight against nation  
Where did it all begin? Wo-oo-o-o-oh!  
Where will it end?  
Well, it seems like: total destruction the only solution.  
Mmm, no use: can't stop them;  
W'ain't no use: ya can't stop them;  
Ain't no use: no one can't stop them now;  
Can't stop them now (no one can't stop them now).

There ain't no use: no one can't stop them now.  
Everybody strugglin': ain't no use - ain't no use -  
Ain't no use you even try;  
Ain't no use: got to say 'bye-'bye!  
Ain't no use! Ain't no - ain't no use: no one can stop  
them now  
(No one can stop them now) /fadeout/
