By the rivers of Babylon
Where he sat down
And there he wept when he remembered Zion

From the wicked, carry us away
Captivity required from us a song
How can we sing King Alpha's song in a strange land

So let the words of our mouth
And the meditations of our heart
Be acceptable in thy sight Override

By the rivers of Babylon
Where he sat down
And there he wept when he remembered Zion

From the wicked, carry us away
Captivity required from us a song
How can we sing King Alpha's song in a strange land
