Mr. Chatterbox how long will you live?
Always to receive but never to give
Always carry news all over the place
Mr. Chatterbox you are a big disgrace

You cheek and you tongue
A go let you down and a when them let you down
We a go batter you around
Bif-an, baf-an, boof-an, that's the blows you gonna get
Mr. Chatterbox, I know you will regret

Mr. Chatterbox how long will you live?
Always to receive but never to give
Always carry news all over the place
Mr. Chatterbox you are a big disgrace

You cheek, cheek cheek and tongue, tongue, tongue
A go let you down and a when them let you down
We a go batter you around, hey
Bif-an, baf-an, boof, those are the blows you're gonna
get, hey
Mr. Talkative, I know you will regret

Mr. Chatterbox how long will you live?
Always to receive but a never to give
Always carry news all over the place
Mr. Chatterbox you are a big disgrace

You cheek and tongue
A go let you down and a when them let you down
We a go batter you around
Bif-an, baf-an, boof-an, that's the blows you gonna get
Mr. Chatterbox, I know you will regret

Ooh yeah, Mr. Chatterbox
Ooh yeah, Mr. Chatterbox
Ooh yeah
