One cup of coffee, then I'll go;  
Though I just dropped by to let you know  
That I'm leaving you tomorrow;  
I'll cause you no more sorrow:  
One cup of coffee, then I'll go.

I brought the money like the lawyer said to do,  
But it won't replace the 'eartache I caused you;  
It won't take the place of lovin' you, I know,  
So one cup of coffee, then I'll go.

Tell the kids I came last night  
And kissed them while they slept;  
Make my coffee sweet and warm

Just the way you used to lie in my arms.

I brought the money like the lawyer said to do,  
But it won't replace the 'eartache I caused you;  
It won't take the place of lovin' you, I know,  
So one cup of coffee, then I'll go;  
One cup of coffee, then I'll go;  
One cup of coffee, then I'll go.
