Bob Marley]

Uh, uh, uh, uh

Woah now

[Red, red, red, redder than red]

Said I'm redder than red

[Dread, dread, dread, dreader than dread]

I get dreader than dread now

I forward on the scene

I'll do it real keen

[Red, red, red, redder than red]

I won't do no wrong

I'll always be beside you

Protecting by you

I'll never let you down

You can wear my crown

I'll be true to love you girl

I'll never tell no lie

'Cause I don't want to see those

Tears from your eyes

I'm red, red, red, redder than red

Can you dig it? [dread, dread, dread, dreader than

dread]

I'm dreader than dread now

I won't do no wrong

I'll be a free man

[Red, red, red, redder than red]

Yes I am

I'll never hurt you

Never let you down

I'll stand always beside you

Oh, oh

I'll be true to the people

Who I love

I'll never hurt them

Woah now, woah now

[Red, red, red, redder than red]

Redder than red

[Dread, dread, dread, dreader than dread]

That's it, say I am red

[Red, red, red, redder than red]

Redder than red now

[Dread, dread, dread, dreader than dread]

Can I be dreader than dread

Uh, every morning, every night

Groove, groove, out of sight, out, oh God

[Red, red, red, redder than red]

'Cause I'm, ooooooh

[Dread, dread, dread, dreader than dread
