[Bob Marley]

Hey happy people, this here is something new

I know you're gonna like it

So let me tell you what we're gonna do

Souls almighty [uh]

Don't you know we got the rhythm

Souls almighty [oh]

We are willing

Funky, Funky Chicken [ooh]

And the Mashed Potato

Do the Alligator

Let's do it together

Souls almighty

Do you dig me ya'll

Souls almighty, my soul is raw

[ooh-ee yeah]

Get yourself together

In any kind of weather

Things will be mighty better

If you get it together [witness]

Souls almighty [ooh]

Don't you know we got the rhythm
Souls almighty [exactly when baby]
[You're not with him]
Get yourself, yourself together
In any kind of weather [I'll come home baby]
Things will be mighty better
If we, if we get it together
Souls, don't you know we got the rhythm
Hit it brother
Souls Almighty
O' baby, when you're not with him
Funky, Funky Chicken
And the Mashed Potato [oh]
Do the Alligator
Do it together ya'll [uh]
Shocks of [mighty]
Souls and shocks, souls and shocks
We got, we got, we got the rhythm
Sing your song brother
My baby's with him, ooh
Get yourself together
In any kind of weather
Things will be mighty better
