Sugar, oh honey, honey
You are my candy girl
Got me
(And you got me wanting you)

Oh, honey, honey
(Honey)
Sugar
(Oh, sugar sugar)
Tell you what
(You are my candy, girl)
And you got me
(And you got me wanting you)

I just can't believe the loveliness of loving you
(I just can't believe it's true, drip drop, drip drop)
I just can't believe the wonders of this feeling too
(I just can't believe it's true)

Let me talk about my
(My honey)
Honey, I'm a sugar
(Oh, sugar, sugar)
When I mix them together
(You are my candy, girl)
That's what you are
(And you got me wanting you)
Got me, got me, got me, got me

(Oh, honey)
Honey, I'm a sugar
(Oh, sugar, sugar)
I describe you together
(You are my candy, girl)
That's what you are
(And you got me wanting you)

Let me tell ya, when I kissed you, girl
I knew how sweet a kiss could be
(Knew how sweet a kiss could be, drip drop, drip drop)
Like a silver sunshine, pour your sweetness over me

(Pour your sweetness over me)

A let me be with
(Honey)
Honey, sugar
(Oh, sugar, sugar)
Oh, please be both them together
(You are my candy, girl)
And be my candy, girl
(And you got me wanting you)
And you got me, got me, got me

(Oh, honey)
Honey, I'm a sugar
(Oh, sugar, sugar)
I mix them together
(You are my candy, girl)
That's what you are
(And you got me wanting you)
Got me, got me

Yeah, pour your sugar
(Pour your sugar on me, baby)
Pour it down
(Pour a little sugar on me, honey)
Woa yeah, sugar
(We could-a make a life so sweet)
Yeah, yeah
(Hey, hey, hey)

Yeah
(Pour out your sugar on me, baby)
Pour your sugar
(Pour out your sugar on me, baby)
Oh yes, you got me, honey
(We could-a make a life so sweet)
Yeah, yeah
(Hey, hey, hey)

(Pour out your sugar on me, baby)
Pour your sugar, baby
(Pour out your sugar on me, baby)
I don't mind
(Yeah, yeah, pour out your sugar on me)
