Each night I ask the stars up above  
Why must I be a teenager in love?  
Why must I be a teenager in love?

Put me in your milling machine  
I never thought you could act so mean  
Now I'm wondering what to do  
To see if you could love me too, girl

Each night I ask the stars up above  
Why must I be a teenager in love?  
Why must I be a teenager in love?

Each night I ask the stars up above  
Why must I be a teenager in love?  
Why must I be a teenager in love?

Though my knee's getting weak  
And my brain's getting flatter, something is near  
To tell me it's been badder, I don't know just what to do  
To see if you could love me too, yeah

Each night I ask the stars up above  
Why must I be a teenager in love?  
(Why must I be a teenager in love?)  
Why must I be a teenager in love?  
(Why must I be a teenager in love?)
