We no know how we and dem a-go work this out, oy!  
We no know how we and dem a-go work it out.

But someone will 'ave to pay  
For the innocent blood  
That they shed every day,  
Oh, children, mark my word;  
It's what the Bible say, yeah! yeah!

Oh, we no know how we and dem a-go work this out;  
We no know how we and dem a-go work it out.

But in the beginning Jah created everythin' (oo-oo-oo-oo-oo),  
Givin' man dominion over all things.  
But now it's too late,  
You see, men has lost their faith (oo-oo-oo-oo-oo),  
hey-ey-hey!  
Eating up all the flesh from off the earth, eh!

We no know how we and dem a-go work this out (we no know);  
We no know how we and dem a-go work this out (no, we don't know);  
Dub-da-dub-da-dub!  
Dub-a-dippidi-doop-de-doo!

Nim-a-nummany num-na-noo!  
Num-a-nummana-num-da-nay!  
Dippy-dippy-dippy: dip-de-dub-de-day!  
Dip-a-dubbada-dub-da-day!

But I say: we no know how we and dem a-go work it out:  
them a flesh and bone!  
We no know how we and dem a-go work it out.

But we now have no friends  
In-a high society, yea-a-eah!  
We no have no friends;  
Oh, mark my identity;  
We no have no friends. Oh-oh! Yeah!

We no know how we and dem a-go work this out (no, we  
no know);  
We no know how we and dem a-go work this out (we no  
know);  
We no know how we and dem a-go work it out (no, we  
don't know);  
(We no know how we and dem a-go work this out.)  
Rasta!  
(We no know how we and dem a-go work this out.)  
Ilyabom! *[fadeout]*
