What am I to do, my dear
So that I may win your love?
What am I to do, my dear
So that I may win your love?

You're jumping 'round like a lamb
Just because you put me in [Incomprehensible]
And I'll live my life the way that I want
But I just got to hold you and it's a sin to talk so

What am I to do, my dear
So that I may win your love?
What am I to do, my dear
So that I may win your love?

I will send for you and you make me feel so blue
Little dear, what do you want me to do?
[Incomprehensible] just to see me through
But I can't say that I'm keen and so blue so, yeah

What am I to do, my dear
So that I may win your love?
What am I to do, my dear
So that I may win your love?

Now you're jumping 'round like a lamb
Just because you take me in [Incomprehensible]
And I'll live my life the way that I want
But I just gone through love and it is here to talk, so

What am I to do, my dear
So that I may win your love?
