Here's a little song I wrote  
You might want to sing it note for note  
Don't worry be happy

Every life we have some trouble  
When you worry you make it double  
Don't worry be happy  
Don't worry be happy now  
Don't worry be happy (x4)

Aint got no place to lay your head  
Somebody came and took your bed  
Don't worry be happy

The landlord say your rent is late  
He may have to litigate  
Don't worry be happy  
(Look at me I'm happy)

Don't worry be happy  
(I give you my phone number  
when you worry call me I'll make you happy)  
Don't worry be happy

Aint got no cash aint got no style

Aint got no gal to make you smile  
But dont worry be happy

Cos when you're worried your face will frown  
And that will bring everybody down  
So don't worry be happy  
Don't worry be happy now  
Don't worry be happy (x4)

(Don't worry Dont worry don't do it  
Be happy  
Put a smile on your face  
Don't bring evrybody down like this  
Don't worry it will soon pass  
Whatever it is  
Don't worry be happy)

(fade)  
(I'm not worried)
