(Gord Bamford / Byron Hill)

I drive an S.U.V.  
But I don't mind those smaller cars  
I'm always watching where they are  
Even when they cut in front of me

And I think about that war  
And I know which side that I'm on  
Right is right and wrong is wrong  
It's been that way all down through history  
I guess I should admit I'm just a little bit

Chorus:  
Politically incorrect I've got my own opinions  
But I don't force them on no one  
Politically incorrect  
What you see is what you get  
I was born that way I can't help it  
That's just me can't you tell it  
I'm proud to say that no one's changed me yet  
I'm politically incorrect

I like to hunt and fish  
But I know what my limit is  
Sometimes I just shoot and miss  
So there's no use in coming down on me

And I treat a lady right  
I hold doors and I say ma'am  
Hey that's just the way I am  
Lots of guys I know are just like me

I guess I should admit  
I'm just a little bit

Repeat Chorus
