[Parody of "Stuck In A Moment" by U2]

Just the other day  
I was on my way to work  
When nature started calling me  
With an overwhelming urge  
Now I'm just trying to find  
A decent place to pee  
So I pulled into McDonalds  
To use the lavatory  
But when I walked into the john  
And saw what was going on, whoa  
It was a big disgrace to the entire male race  
Tears were running down his face  
And I said...  
You've got to get yourself a doctor  
You got stuck in your zipper and you can't get out of it  
Don't move, I'll call a paramedic  
You got stuck in your zipper, and now you can't get out  
of it  
I picked up the phone  
And I called up 911  
To tell the operator  
What the gentleman had done  
The operator chuckled  
And well I guess that's fair  
Because this all could have been avoided  
If he just wore some underwear

Well they notified his wife  
And they brought the jaws of life  
What a crappy way to spend my day  
I'm saving Private Ryan, My oh my  
You've got to get yourself a doctor  
You got stuck in your zipper and you can't get out of it  
Oh look, look at you now  
You got yourself stuck in your zipper, and now you  
can't get out of it  
He'll never walk the same again  
And now when he talks he sounds a lot like this  
And late at night when he closes his eyes  
He's haunted by the sound of my voice singing...  
You've got to get yourself a doctor

You got stuck in your zipper and you can't get out of it  
That day will always be remembered  
You got stuck in your zipper, and now you can't get out  
of it  
And though the worst is over  
He'll never live it down  
Hey look this week on Oprah  
That zipper guy is on  
His shame will never pass
