Another Kick In The Balls
(Another Brick In The Wall-Pink Floyd)

We don't need no contraception
We don't need no birth control
No prophylactics on the penis
People leave our pricks alone

Hey!
People!
Leave our pricks alone

All in all its just a-
-nother kick in the balls

All in all its just a-
-nother kick in the balls

(If you don't beat your meat, you won't get any
pudding?)
(How can you get any pudding if you don't beat your
meat?)
