Asshole Son
(Black Hole Sun-Soundgarden)

In his eyes
I'm full grown
Twenty-nine and still at home
Raid the fridge
Feed my face
I'm the son that's a disgrace

Live here free
Don't pay rent
Brought the car back with a dent
I'm asleep
Counting sheep
Thought I heard him scream again

Asshole son
You're a bum
You trashed the car again
Asshole son
What a bum
What a bum

Asshole son
Mow the lawn
And put your clothes away
Asshole son
What a bum
What a bum
(Asshole son, Asshole son)
What a bum
(Asshole son, Asshole son)
What a bum
(Asshole son, Asshole son)
What a bum
(Asshole son, Asshole son)
