We wish you weren't living with us  
We wish you weren't living with us  
We wish you weren't living with us  
We're not happy you're here  
You drive everybody crazy  
You're hopelessly fat and lazy  
You're constantly in the way here  
So pack up your gear

You're feeding your face  
You're taking up space  
We wish you weren't living with us  
We're not happy you're here. {CLOSE THE  
REFRIGERATOR!}

Correct us if we're mistaken  
But those are long distance calls you're makin'  
How long do you plan on takin'  
Advantage of us? {PAY UP}  
We wish you weren't living with us  
We wish you weren't living with us  
We wish you weren't living with us  
Get out of town  
NOW
