Words and music by bob seger

My old friend sirius is riding high tonight
Shinin' down so bright on the harbor lights
I wonder i wonder

Who are these strangers on the street
Seekin' out the heat with their eyes cast down millin'
around
I wonder i wonder
I wonder sometimes i wonder

There's a last boat comin' in ghosting on the wind
The moon across the bay lighting his way
I wonder it makes me wonder

What's it like out there tonight far from the city lights
Are your dreams the same
I wonder it makes me wonder
I wonder it makes me wonder
