Rolly:Are you ready Bob

Bob:Yes

Rolly:How bout you Lofty

Lofty:Im a bit scared

Bob: O.K. team lets go

1,2,3,4,5 everybody's outside
So come on lets ride to the
Builders out around the corner
The gang's all here
And it's time for us
To do what we wanna

There's a house with a roof that leaks
It's an urgent job
And it could take us weeks
There's Dizzy, Lofty and Rolly too
Wendy always knows just what to do

There's no job too big or small
With Scoop and Muk we can do it all
Metal, brick or wood
It's all good
And we can always send in the tractor!

CHORUS:

A little bit of timber and a saw
A little bit of fixing that's for sure
A little bit of digging up the road

A little bit of moving heavy loads
A little bit of tiling on the roof
A little bit of making waterproof
A little bit of concrete mixed with sand
A little bit of Bob the builder man!

Jump up and down
And move it all around
Mix it up to the sound
Dig a hole in the ground
Take one step left
And one step right

One to the front
And one to the side
Clap your hands once
And clap your hands twice
And if it looks like this
Then you're doing it right!

CHORUS X2

There's Rolly, Lofty, Scoop, Muk and Dizzy
So much more to keep ourselves busy
Can we fix it?
Yes we can
With the team and Bob, the builder man!

Bob, Bob, Bob, the builder man!
