Im leading my life just the way I like it
Don't burn my ass if it's not tight
Im telling you guys
Just stay sweet
Well more or less it feels like my life was a horrorless
Sorrowless edge and Im a tomorrowless
Guy since you ran away
Oh with them sad, sad croco tears in my eyes
Im swearing that Im bearing
For my heart-outtearing
For my telling you telling you lies
Im smoking till Im choking
Blast there is a hole in my soul
And it's provoking
All the trouble lord in me
All the trouble lord in me
Im pushed through a funnel
With my eyes in a tunnel
Bearing all the swearing
Of my inner eyes fanfaring
The thing I need is you
Oh with them sad, sad croco tears in my eyes
Im swearing that Im bearing
For my heart-outtearing
For my telling you telling you lies
Lies
But it's ok for me to wait
Cause you're so cute, with the salty fruit
And I keep dreaming, wondering dreaming
Wondering, dreaming about you
I wish I was a stamp so you'd lick me
I wish I was a football so you'd kick me
I wish I was a bra to feel your nipples hardening
Or just a flower so you'd pick me, sniff me
Tear my bloom apart and finally find
Im in love with you
Sweetheart
Oh with them sad, sad croco tears in my eyes
Im swearing that Im bearing
For my heart-outtearing
For my telling you telling you lies
