Fail by Bananafishbones

Oh, it's so useless to try to make
Somebody stake when you know she has got to go
away

And my heart is aching, it is breaking apart
It is breaking apart for you the one I olve

And like a mouse that tries to catch the cat
Like a dog that runs to fast gets hit by a car
Your power destroyed, my evil heart,
Now I find my self apart.

I don't want to be like you
I don't want to be like you, you, you
Well, I never wanted you to be like me,
Never wanted you to see what I see,
I never wanted you to be like fucking me.

Days past, I was happy
Weeks passed and I lied
Month passed and it felt like I want to die.

When you talk of a girl
When you talk of a skirt
When you talk of a can
Talk of a woman
Never forget that woman is a heart
That woman is a soul,
That woman is a brain
That woman is insane
It's just that stupid, stupid game
All over again I don't wanna be caught in that stupid
frame
It's not a game, she says,

I don't want to be like you
I don't want to be like you
Well, I never wanted you to be like me, never wanted
you to see what I see,
I never wanted you to be like fucking me

Days past, I was happy

Weeks passed and I lied
Month passed and it felt like I want to die.
