I've got a new road under my wheels

In my heart there's a new little song

My blues and my worries are over

From now on I'm drivin' alone

Well, there's a new day comin' tomorrow

Everyday is a good day for me

Yesterday took my heartache and sorrow

Today from the past I'm free

Well, I lost my world when I lost all my women

Like a kid I can just run and play

Now I can make up all my hard times and wake up

In a new world everyday

I've got a new road under my wheels

In my heart there's a new little song

I'm livin' and still not forgivin'

From now on I'm drivin' alone

Yeah, I lost my world when I lost all my women

Like a kid I can just run and play

Now I can make up all my hard times and wake up

In a new world everyday

I've got a new road under my wheels

In my heart there's a new little song

I'm livin' and still not forgivin'

From now on I'm drivin' alone
