When he opens the door, says I'm home  
Be aware of the look in his eyes  
They tell you the mood he's in  
What kind of day it's been

[CHORUS]

For the love of him  
Make him your reason for living  
Give all the love you can give him  
All the love you can

There'll be times  
When he won't say a word  
And you wonder if  
It's something you said  
A gentle touch of your hand  
Tell him you understand

[Repeat CHORUS]

Little things he forgets to do  
Have you told him today, I love you  
When he reaches out, be there  
Show him that someone cares

He's a man and a man has to try  
Let 'em run, let 'em fall, let 'em cry  
His world won't fall apart  
If you take him into your heart

[Repeat CHORUS 3x to fade]
