[CHORUS]

Black night is falling

Oh, how I hate to be alone

I keep crying for my baby

And now another day is gone

Nobody cares about me

Ain't even got a friend

My baby's gone and left me

When will my troubles end

[Repeat CHORUS]

I got no one to talk with

To tell my troubles to

Don't even know I'm living

Since I lost you

Black night

[Repeat CHORUS]

Goodnight, baby

Wherever you are
