Love and affection
A heart so true
Are yours for the asking
I've got it all
Right here for you

You needn't be lonely
You shouldn't be blue
I'll design a life
Of love for you and
Here's all you've got to do

[CHORUS]
When you need a good loving
When you need a good kissing
When you need a good hugging
Yeah, yeah, yeah, yeah
Won't you call on me

You can't live alone, dear
Your whole life through
Everybody needs a future
And I can see my future in you

[Repeat CHORUS]

You can't live alone, dear
Your whole life through
Everybody has a future
And I can see my future in you

When you need a good loving
When you need a good kissing
When you need a good loving
Yeah, yeah

Won't you call on me
Won't you call on me
