Cry, cry, cry  
That's what I want you to do  
Ans think of the lonely nights  
That I sat alone and  
Cried over you

Cry, cry, cry  
Let me see you she'd a few tears  
Maybe you'll realize  
What I've been going through  
For so many years

I want you to cry, cry me a river  
I want you to, yes, I  
Want you to cry me a sea  
Yes, I know someone's gonna hurt you  
Just like you've been hurting me

Well, I want you to go on and cry  
I want you to get on  
Your knees and cry, baby  
Well, I want you to cry, cry, baby

Cry, cry, cry  
Let your tears fall like rain  
Maybe I'll realize that  
My love for eas not in vain

Cry, I want you to cry  
Yes, I want you to get on  
Your knees and cry
