Further on up the road
Someone's gonna hurt you
Like you hurt me
Further on up the road
Someone's gonna hurt you
Like you hurt me

Further on up the road
Baby, you just wait and see

You got to reap
Just what you sow
That old saying is true
You got to reap
Just what you sow
That old saying is true

Like you mistreat someone
Someone's gonna mistreat you

Now you're laughing, pretty baby
Someday, you're gonna be crying
Now you're laughing, pretty baby
Someday, you're gonna be crying

Further on up the road
You found out I wasn't lying

Yeah, baby
Further on up the road, baby
You found out I wasn't lying

Further on up the road
When you're all alone and blue
Further on up the road
When you're all alone and blue

You're gonna ask me to
Take you back, baby
But I'll have somebody new

Mmm, baby

Further on up the road
Mmm, baby
Further on up the road
Mmm, you'll get yours
