Well the way my baby treat me, people, I just can't  
understand  
No the way my baby treat me, people, I just can't  
understand  
Whoa oh, either she don't love me or people, she's got  
another man  
Yeah-ay-baby, she don't allow me to do nothin'  
But lay in the bed and read, oh oh my woman  
Don't allow me to do nothing  
Man but lay in bed, the bed n' read  
No she said, "Don't worry 'bout anther woman, Bobby  
Man just as long as you've got me"  
Whoa yeah  
Oh I finally learned a lesson, I'm gonna let all you  
women alone  
Oh yes finally learned my lesson, I'm gonna let all  
you women alone  
Oh the woman that I've been loving, is causing me to  
lose my happy home
