If you could read my mind,
then you'd know what I'm gonna do
Oh, if you could look into the future,
you'd see me bein' you,
You'd see me movin', oh, down the line
If you could just read my mind
If you could just read my mind
Why don't you come on and read my mind
You don't need a book to read my mind, no,
just read my mind
If you could just read my mind, then you'd know just
how I feel
Oh, it ain't easy lovin' you so much, when I know your
love is not real
You'd see me movin', oh, down the line
If you could just read my mind
You think that everything is alright, just because you
see me smile
Oh, you think you're lookin' to the future, and seein'
me count every lie
You'd see me movin', oh, down the line
If you could just read my mind
