You know my room caught on fire
You told my landlord to
Turn on the heat
Oh, yes, you did

I was down in bed
With pneumonia, girl
And you sprinkled ice cubes
All around my feet, oh, yeah

If you've got a heart, girl
Oh, it must be made of ice, oh, yeah
You got the nerve to ask me
To be that same fool twice, oh, no

I gave all of my love
You abused it in every way
Yes, you did

And you got the nerve to ask me
To be your fool twenty-four
Hours every day, I can't do it

I work so hard for you, baby
Brought you every dime, oh, yeah
And I asked you, what more can I do
You said, go out and catch
A little overtime

And my mama call your
Little daughter jewel, yeah
Mother know you'll never be nice
She said, son, if that girl's got a heart
Don't you know it's got to be made of ice

Oh, Lord, if you've a heart, girl
Oh, it must be made of ice
Oh, yes, it's got to be
