(I'm too far gone to turn around)

If I reach out to you

Like a child would do

Darling, don't let me down

I need you so and

I guess you know that

I'm too far gone to turn around

If I give you my heart

Please don't tear it apart

Don't treat me like dirt

From the ground

Give me a break

For Heaven's sake, cause

I'm too far gone to turn around

I'm too far gone

Too far gone, stop

I'm flying high like

The bird in the sky

Darling, don't let me drop

I'm begging you

Whatever you do

Don't turn my life upside down

I love you so

And I guess you know

I'm too far gone to turn around

I'm too far gone to turn around

(I'm too far gone to turn around)
