Well, it's my life, baby, don't try to change my ways
Yes, it's my life, baby, don't try to change my ways
Well, if you want my loving, don't make no graveyard
play

How can you tell to me, when you're advice is better for
you
Yes, how can you tell to me, when you're advice is
better for you
How can you say that you love me, when I know you
won't be true

Well you're always tellin' people, I drink too much,
but ev'rytime I get a bottle you add your little touch
It's my life, baby, don't try to change my ways
Well, if you want my loving, don't make no graveyard
play

Well, it's my life, pretty baby, let me live it like I please
Well, it's my life, pretty baby, let me live it like I please
Well, if things aren't gonna suit you, baby you can take
off with the breeze

(spoken: This is my life, let me live it like I please, won't
you?)
