Shaka boom boom boom  
I've changed, I've changed  
Shaka boom boom boom

I've changed, listen  
I know I'm guilty  
I feel ashamed  
I did you wrong but  
I didn't gain a thing

You put your trust in me  
But you got deceived  
Lord, I can't blame you  
If you wanna leave

I'm not the same man I used to be  
I even got a different personality

Just keep on loving me  
And you'll see the change  
Just keep on loving me  
And you'll see the change  
Lord, keep on loving me  
And you'll see the change

Said, I changed, I changed  
I'm not the same man, Lord

Never thought before  
That I could be replaced  
No matter what I did  
You'd love me any old way

I come so close to losing you  
Lord, you never have to worry  
About me being untrue

I'm not the same man I used to be  
I even got a different personality

[CHORUS]

I changed, Lord  
I'm not the same man

Shaka boom boom  
I've changed, I've changed  
Shaka boom boom  
(Don't you hear me now, Lord)

Shaka boom boom  
(I changed, baby)  
Shaka boom boom

I'm not the same man I used to be  
I even got a different personality

[Repeat CHORUS to fade]
