When I thought I was so high above you
You were so good to me
Even though you knew I didn't love you
You were still good to me

And when it used to make me happy
To see you cry
You were so good to me
And that's no lie
You used to call me, "Bobby, Little Boy Blue"
You said, "Blow your horn baby, Little Boy Blue"
You used to call me "Bobby, BOBBY"
So nice to me baby
Oh yes you were

I remember baby
When you cried all night long
I know now darling
I was doing you wrong

If I had a million dollars
I'd give you every, a-every dime
Just to hear you call me
"Bobby", one more time

You used to call me
B-O-BBY
B-O-BBY

"Bobby", you called me "Bobby"
And oh it used to sound so good
Oh yeah
You don't know how much I miss you lady
YEAH, YEAH
If you'd just give me one more chance, darling
YEAH, let me hear you call me "Bobby"
YEAH, YEAH, YEAH
Yeah, baby
Fading:
You don't know how much I love you
