It's an I'll wind  
That blows no good  
And it's a sad heart that  
Won't love like I know it should

Oh, how lonesome you must be, yeah  
And it's a shame if you don't  
Share your love with me

And it's a heartache  
When love is gone  
But it's bad and  
Even sad later on

There's no one blinder  
Than he who won't see, yeah  
And it's a shame if you  
Don't share you love with me

And I can't help it  
Oh, no, if she is gone  
You must try to forget  
Woah, you must live on

And I said it's a  
Good thing to love someone  
But it's bad and even sad  
When it's not returned

And, oh, how lonesome, yes  
You must be, yeah  
And it's a shame if you  
Don't share your love with me

And I said it's a shame if you  
Don't share your love with me  
Oh, yeah
