I shoulda stayed gone  
When I left before  
Cause you do me wrong  
When we're together

But I keep coming back  
Oh, Lord, for more

[CHORUS]  
When I leave this time  
Whoa, Lord, make sure  
It's understand that  
This time, I'm gone for good

Many times I've left you  
But I couldn't stay away too long  
Thank God for the strength  
That he gave to me to leave home  
And still be strong

[Repeat CHORUS]

It's been warm outside  
But for me, but for me  
There's been no sunshine  
So hard for me to leave  
But I finally made up my mind

[Repeat CHORUS]

This time, baby, Lord  
I'm not gonna let you  
Worry me no more  
And this time, baby  
Don't even say nothing to me

Oh, Lord, bye, bye, baby
