Yield not to temptation  
Woah, my love  
While I'm away

Don't you know  
You gotta be strong  
Leave all the other guys alone  
One bright sunny day  
I'll be back home to stay

Yield not (yield not) to temptation  
And let no one lead you astray  
(Yield not)

So many times  
You're gonna be lonely  
So many times  
You're gonna be blue

But yield not, yield not  
Woah, yield not, yield not

Don't you know  
You gotta be strong  
Leave all the other guys alone  
One bright sunny day  
I'll be back home to stay

Yield not (yield not) to temptation

So many times  
You're gonna be lonely  
So many times  
You're gonna be blue

But yield not, yield not  
Woah, yeah, yield not

Don't you know  
You gotta be strong  
Leave all the other guys alone  
One bright sunny day

I'll be back home to stay

Yield not (yield not)  
To temptation (yield not)

(Yield not to temptation)  
(Yield not to temptation)  
(Yield not to temptation)  
(Yield not to temptation)

I gotta know  
(Yield not to temptation)  
I said I wanna know  
(Yield not to temptation)  
I've got to know without a doubt  
(Yield not to temptation)  
Got nobody checking you out

(Yield not to temptation)  
I wanna know  
(Yield not to temptation)  
Woah, baby, I wanna know  
(Yield not to temptation)  
Said I've got to know

One of these days  
(Yield not to temptation)  
I wanna know, baby  
(Yield not to temptation)  
I've just got to know, baby...
