Well another cold day in August  
Ain't never gonna walk down main  
'Fore I let another woman  
Hold on to my tremblin' hand  
You did me wrong  
Well you did me wrong  
Well you did me wrong baby  
That's why I'm singin' this song

Well I'll never fall in love again  
If I should live three hundred years  
I'll never give my heart to another woman  
No matter who she is

You did me wrong  
Well you did me wrong  
Well you did me wrong baby  
That's why I'm singin' this song  
Well

Well I used to hold that woman's hand  
Beggin' her not to go  
If I should live two hundred years  
I won't do that no more

You did me wrong  
Hmm, you did me wrong  
Well you did me wrong baby  
That's why I'm singin' this song

Well there'll be a hot day in January  
A dog will sing tenderly  
Before I let another woman  
Make a doggone fool of me

You did me wrong  
Yeah you did me wrong  
Well you did me wrong baby  
That's why I'm singin' this song  
Well
