Well you've got me
Where you want me
And I hope you are satisfied
You said you'd never leave me
Before you did, you said you would die
Well you got me, got me, got me
Where you want me baby
And I hope pretty baby you're satisfied

You said you'd always love me
And you said you would always be true
But I found you with another
And it made me feel so blue
Well you've got me, got me, got me
Where you want me
And I hope pretty baby you're satisfied

Well baby
You've got me where you want me
And I hope you are satisfied
Ooo ooo baby

Well you've got me where you want me
And I hope you, hope you are satisfied
You said, you said, you said
You never would leave me
Before you did, you said you would die
Oh you got me, got me, got me where you want me
baby
And I hope pretty baby you're satisfied
Ooo ooo baby
Fading:
I'm down on my knees baby
I guess you got me where you want me
