Heard all your lies
And every excuse
Being two timed
Won't say goodbye
What is the use
When you just don't care

You think you're fine
I'm not impressed
You're just like the rest
You have your fun
You play me and run
Enough's enough and the time has come

(chorus 1)
Find yourself another lover
Get out of my life
You're just a typical male
There's another shoulder you can cry on
Another bed for you to lie on
Just find another lover

You've had your chance
I gave you my heart
But soon I found out
Don't try to say
We shouldn't part
Enough's enough and the time has come
(chorus 1)

(chorus 2)
Find yourself another lover
Get out of my life
You're just a typical male
There's a big wide world of love for taking
Other hearts you could be breaking
Just find another lover

Find yourself another lover (x 2)

You think you're fine
I'm not impressed

You're just like the rest
You have your fun
You play me and run
Enough's enough and the time has come

(chorus 1 & 2 ad lib)
