Cheers then here's two old friends  
We thought we'd never say goodbye  
But those good times came to an end  
And it's not worth another try  
Familiar place familiar face  
But feeling's not the same  
Try to relive what we once did  
It's just a silly game

Cheers then here's two old friends  
We thought we'd never say goodbye  
But those good times came to an end  
And it's not worth another try  
One of the crowd  
It felt so safe  
I never felt alone  
Together everyday and night  
When you and me were young

Ooh Ooh Ooh...

Cheers then here's two old friends  
We thought we'd never say goodbye  
But those good times came to an end  
And it's not worth another try  
Time that lapsed a bond collapsed  
We never planned for that  
You felt betrayed I let you down  
You're better on your own

Ooh Ooh Ooh...

Cheers then, it had to end  
Cheers then, another try  
Cheers then, here's two old friends  
Cheers then, we're saying goodbye  
Cheers then, we're saying goodbye  
Cheers then...
