Give, give in to me  
Give in, give in, give in, give in to me

Oh, my love give me your body  
Talk to me, tell me you want me  
Come to me now open your mind  
Secrets we'll share with each other

These moments we should keep  
Locked forever in our sleep  
Kiss, promise left untrue  
Nothing here but me and you

Give, give in to me  
Give in, give in, give in, give in to me

Can't you hear softly I'm calling  
Lay with me I'll show you the morning  
Violet to blue I think of you  
Whispering softly you want me

These moments we should keep  
Locked forever in our sleep  
Kiss, promise left untrue  
Nothing here but me and you

Give, give in to me  
Give in, give in, give in, give in to me  
Give, give in to me  
Give in, give in, give in, give in to me

These moments we should keep  
Locked forever in our sleep  
Kiss, promise left untrue  
Nothing here but me and you

Give, give in to me  
Give in, give in, give in, give in to me  
Give, give in to me  
Give in, give in, give in, give in to me

Give, give in to me

Give in, give in, give in, give in to me  
Give, give in to me
