One two three...

Wait wait wait, what's the first line again ?

Help !

Oh yeah.

One two...

Help !

No wait !

Sorry.

One two three four

Help! I need somebody

Help! Not just anybody

Help! You know I need someone

Help!

When I was younger, so much younger than today

I never needed anybody's help in any way

And now those days are gone, I'm not so self assured

Now I find I've changed my mind, I've opened up the
door

(chorus)

Help me if you can, I'm feeling down

Down down down

And I do appreciate you being 'round

'Round 'round 'round

Help me get my feet back on the ground

Ground ground ground

Won't you please, please help me

Pete, look, I think I'm a bit toppy.

Yeah and I'm a bit bottomy, Pete.

And now my life has changed in oh so many ways

My independence seems to vanish in the haze

But every now and then I feel so insecure

I know that I just need you like I've never done before

(chorus)

Help me if you can, I'm feeling down

HELP!

And I do appreciate you being 'round

HELP!

Help me get my feet back on the ground

HELP!

Won't you please, please help me
