Sugar's sweet
but your kisses can't be beat

Whatever you got
it's good enough for me.
Boys say - they say - I'm good enough to eat - manger -

Whatever you want you got
'cause you knock me off my feet.

I'm hungry for your sweet love
I need you here tonight

I'm crazy
I'm burning up
wohohohoh!

I can't help it
I'm captivated by your honey

I can't help it
I'm captivated by your honey.

You've tasted honey
you've had the rest

Well
here I am
come on and try the best.
No chance - no chance -
won't let you get away - no way -
Whatever you need from me
gonna let you get your woy.

I'm waiting
can't get enough
so move your body close

I need you
I won't give up
wohohohoh!
I can't help it

I'm captivated by your honey

...

Move your body close tonight
move your body close tonight

Move your body close tonight
move your body close tonight.

I'm hungry for your sweet love
I need you here tonight

...

I can't help it
I can't help it

I can't help it
I'm captivated by your honey

...

I can't help it
I'm captivated by your honey
