It's getting late
And it's cold outside
I wonder should I wait
Or should I say goodbye
But I ain't too sure
If I should be staying
Taxi's waiting
But here in your arms
I could be persuaded
But here with you
Ooh it feels so right
I just close my eyes
And lose track of time
But I ain't too sure
If I should be staying
Taxi's waiting
But here in your arms
I could be persuaded
When we touch
Doubts fade away
But I just don't know
If I should stay
Your taxi's waiting
I could be persuaded
Oh
But I ain't too sure
If I should be staying
Taxi's waiting
But here in your arms
I could be persuaded
I could be persuaded
Ooh, I could be persuaded
Your taxi's waiting
Ooh, I could be persuaded
