I never meant to hurt you  
Didn't mean to do you wrong  
I guess I never learned to  
Cherish love 'til it was gone  
And then by chance to meet you  
Bringing back the memories  
I realised I need you  
Could you ever come on back to me  
Baby, baby, baby  
I know that we can make it  
Let me love you one more time  
One more chance to make it right  
I could make you change your mind  
Let me love you one more time  
Didn't know 'til I saw you  
We've been apart for much too long  
How my heart still beats for you  
Oh, my love is growing strong  
Baby, baby, baby  
I know that we can make it  
Let me love you one more time  
One more chance to make it right  
I could make you change your mind  
Let me love you one more time  
Let me love you one more time  
One more chance to make it right  
I could make you change your mind  
Let me love you one more time  
Baby, baby, baby  
I know that we can make it  
Let me love you one more time  
One more chance to make it right  
I could make you change your mind  
Let me love you one more time
