If I told you heaven knows
Got me spinning from my head down to my toes, oh
Without warning I'm exposed
And my heart misses a beat when you're so close, oh

And then love comes in a heartbeat
Love comes and you can't breathe
Oh, oh, oh, oh, oh, oh, oh

And then love comes in a heartbeat
Love comes and you can't sleep
Oh, oh, oh, oh, oh, oh, oh

Caught a rainbow, a ray of light
With your kisses and caresses your delight, oh
I have waited to justify
This love we have it cannot be denied, oh

And then love comes in a heartbeat
Love comes and you can't breathe
Oh, oh, oh, oh, oh, oh, oh

And then love comes in a heartbeat
Love comes and you can't sleep
Oh, oh, oh, oh, oh, oh, oh

Memories past are bitter sweet
Faded fast, now you're with me, you're with me
Memories past are bitter sweet
Faded fast, now you're with me, you're with me

And then love comes in a heartbeat
Love comes and you can't breathe
Oh, oh, oh, oh, oh, oh, oh

And then love comes in a heartbeat
Love comes and you can't sleep
Oh, oh, oh, oh, oh, oh, oh

And then love comes, love comes
Love comes, love comes
Oh, oh, oh, oh, oh, oh, oh

And then love comes, love comes
Love comes, love comes
Oh, oh, oh, oh, oh, oh, oh

Heartbeat, heartbeat
Heartbeat, heartbeat
Heartbeat, heartbeat
Heartbeat, heartbeat
Heartbeat, heartbeat
Heartbeat, heartbeat
